A word from the head teacher

It is lovely to see all the happy faces at the end of the first week. Everyone has thrown themselves into the new term with great gusto and we are all appreciating and enjoying the lovely warm, sunny weather.

During yesterday's assembly, we introduced our value for this first half of the term, which is 'Kindness,' and it was an opportunity to introduce some of the new children that have joined us.

We focused on what it means to be an 'includer'. The children continue to impress me with their warmth and I am very grateful for their efforts to ensure those who have joined us this week, feel comfortable, included and welcome at The Playstreet School.

We are delighted that you trust us with your little ones and we promise to do our very best to deliver your child's maximum potential it being socially, cognitively and physically.

I wish you all an enjoyable weekend.

Kind regards,

Elvis Waithaka.
